The Metropolitan Drinking Fountain and Cattle Trough Association

Report and Financial Statements
Year Ended 31 December 2015

Trustees Annual Report

The Committee have pleasure in submitting their one hundred and fifty sixth annual report for the year ended 31 December 2015.

Legal Structure

The Association is governed by a constitution, which was last amended in September 2012 and is managed by a Committee.

Principal Office

The principal office of the Association is Oaklands, 5 Queenborough Gardens, Chislehurst, Kent, BR7 6NP.

Association’s Records

The bulk of the Association’s historic records are now held at The London Metropolitan Archives, 40 Northampton Road, London EC1R 0AB. Telephone: 020 7332 3820. The Secretary maintains a computer database of all the Association’s drinking fountains, cattle troughs and dog troughs. This is available to members upon request on a CD.

Committee Members

The management of the Association is vested in the Committee which shall consist of not less than six nor more than fifteen members of the association who on appointment will assume the responsibilities of Trustee within the meaning of the Charities Act 2006.

Potential Committee Members are interviewed by the Committee and if approved are appointed onto the Committee. New candidates retire at the next Annual General Meeting and offer themselves for re-election by the members. A third of the Committee retires at the Annual General Meeting. All new Trustees are provided with an induction pack which includes the constitution of the Association and guidelines on how to perform their duties as a Trustee. Further training is given by the Treasurer and the Secretary at Committee meetings as and when necessary. The day to day running of the Association is delegated to the office of the Secretary who administers the expenses and payments of grants in conjunction with the Treasurer.

All members of the Committee serving at 31 December 2015 are noted on page two. Matt Nations resigned from the Committee on 3rd March 2016.

Staff Costs and Related Parties

Staff costs of £5,500 are in respect of secretarial and administrative services which are provided by a company which RP Baber, a member of the Committee has an interest in.

£1,500 was paid to Taylor Pierce for restoration work. M Nations is an employee of Taylor Pearce. M Nations did not take part in the decision to award the contract to Taylor Pearce a specialist restoration firm.

Report and Financial Statements
Year Ended 31 December 2015

Trustees Annual Report (continued)

Objectives

The objectives of the Association are to promote the provision of drinking water for people and animals in the United Kingdom and overseas, and the preservation of the Association’s archive materials, artefacts, drinking fountains, cattle troughs and other installations.

Review of Activities and Future Plans

The Association did not receive any donations in the year (2014:£1,250). Subscription income declined to £275 (2014:£450). The Committee are pleased to see investment income rise by 3.7% to £34,572 (2014:£33,320). Unfortunately the Association investments did not escape the turmoil of the equity markets with its investment declining by £2,157 (2014: (£491).

The Association welcomes applications for grants to help fund projects that fall within its objectives. In 2015 the Association’s grants totalled £29,695 (2014: £24,014). A detailed breakdown on all grants made can be found on page 15. In principle the Association allocates about one-third of its net income to overseas projects. For cost effectiveness these donations are channelled through other appropriate charitable associations. Based on the merits of grant applications the Committee makes a monetary award ranging from £50 to £2,000.

Over the years the Association has recognised a need for supplying fountains to schools throughout the United Kingdom. The Association typically gifts a Novus drinking fountain to a school on the condition that the school pays £50 to join the Association.

Find a Fountain

The organisation was founded to make the public aware of the waste of using bottled water when there is a plentiful supply of easily accessed water. The public can log on and look at the map to find their nearest clean water source at www.findafountain.co.uk.

School Fountains

The Committee are pleased to have donated a total of 4 drinking fountains during the year (2014; 15) to schools throughout the United Kingdom.

Grants Provided

Resolve International
A grant of £1,984 was awarded to provide water for 112 people from 16 households and 64 animals in Dapasha Village, Bhimpokhara District Depal. The water will be taken from a clean spring high in the hills.

The Makhad Trust
A grant of £2,000 was awarded to deepen and put flood protection into two community drinking wells in one of the communities surrounding Mount Sinai St Katherines. Each well will support between 15-30 families.

Village Water
A grant of £1,770 was awarded to support a new water well in a community in Muleka Village Kaoma Zambia. This water source will support 145 who were drinking dirty water from contaminated sources.

Excellent Development
A grant of £2,000 was awarded to contribute to a sand dam project in the Makueni County of south east Kenya. This grant will make a significant contribution to a Self Help Group to build a sand dam. This project will directly benefit approximately 1,000 people and their animals to have access to clean drinking water.

Teso Development
A grant of £1,500 was awarded to provide a well in Labori village in Labori, Uganda. This grant will pay for the pump and development costs. This well will benefit 65 households and approximately 390 people.

CAMDA
A grant of £1,900 was awarded to refurbish 5 shallow pit wells in the Gobi and Khuvsgul regions of Mongolia. These wells support 4 to 6 households with anything up to 2,000 animals. They also serve passing herders and their stock on their way to other pastures and are an essential feature of winter camps.
The Metropolitan Drinking Fountain
and Cattle Trough Association

Report and Financial Statements
Year Ended 31 December 2015

Trustees Annual Report (continued)

Mr S White

A grant of £2,000 was awarded to Mr White to develop a wayside drinking fountain for cyclists exploring The Chiltern Cycle Way, which covers 180 miles of an “Area of Outstanding Natural Beauty”. This will enable cyclists to replenish their supplies without needing to purchase bottles in towns or litter the countryside with energy gel wrappers.

Dhaka Ahsania Mission

A grant of £2,000 was awarded to contribute to a project taking place in Satkhira District, Kaliganj Upazila and Shyammager district of Bangladesh. This project covers such initiatives as installation of wells or pond sand filters and renovation of 8 school water supply facilities.

Friends of Newcastle

It was agreed a grant of £500 to help in the restoration of the park at Newcastle.

Busoga Trust

It was agreed a grant of £2,000 for a hand dug well in Navapili, Uganda to help the people achieve good hygiene.

Earlsden Fountain

It was agreed a grant of £1,500 towards the restoration of the fountain in Earlsden Coventry.

Wells for India

It was agreed a grant of £2,000 to provide clean drinking water for the desert people of Charasada Jaipur India by collecting rainwater. This will provide a clean and hygienic drinking water.

Watch House Fountain

A grant of £1,500 was awarded to for the restoration House Fountain Bermondsey.

Peter Pan Fountain

A grant of £4,680 was made to restore the Peter Fountain. This fountain having fallen into disrepair in Great Ormond Street Hospital was rescued and restored and now sits in Blenheim Palace.
The Metropolitan Drinking Fountain and Cattle Trough Association

Report and Financial Statements
Year Ended 31 December 2015

Trustees Annual Report (continued)

Future Development of the Association

The Association’s aim for the future is to provide drinking water for humans and animals and to preserve its archive materials, drinking fountains, cattle troughs and other installations. The Committee considers the need for funding projects based on the amount of income that its capital investments generate and allocate these accordingly. In exceptional circumstances the Committee may use capital to fund its objectives. The Committee endeavours to allocate a third of its income to funding projects overseas.

Risks Facing the Charity

The Committee have assessed the major risks to which the Association is exposed, in particular those related to the operations and finances of the Association, and are satisfied that systems are in place to mitigate the Association’s exposure to major risks.

Statement of Public Benefit

The Committee confirm that they have complied with the duty in section 4 of the Charity Act 2006 to have due regard to public benefit in delivering the activities of the Association.
Financial Review

Investments

The Association’s investments are now held in The Equities Investment Fund for Charities (Charifund), which is managed by M&G Securities. Charifund suffered an unrealised capital loss of £2,157 (2014: £491). It has a yield of 4.8% (2014: 5%) based on the opening value of the investments held by the Association.

The Trustees have taken a prudent approach to investing the Association’s funds. They wish to maintain as a strong capital base as possible whilst providing sufficient annual income to meet the needs of the Association. This is achieved through investment in the above fund. No social, environmental or ethical considerations are taken into account by the investment managers used by the Association.

Reserves

It is the policy of the Trustees to maintain reserves in the Association at a level to enable it to be administered efficiently, to meet its short-term expenditure requirements and to have adequate resources to fund its charitable objectives. In establishing this policy the Trustees have considered the disposition of its incoming resources which are mainly derived from its investments. The level of reserves is subject to periodic review when considering changes to the charity’s activities and requirements.

In the opinion of the Trustees the reserves of the Association, currently amounting to £730,450 (2014: £733,801) are needed to generate funds on an ongoing basis. The Trustees confirm that the Association’s assets are readily available and in the opinion of the Trustees adequate to fulfil the obligations of the Trust.

Pensions

The Association has no pension commitments.
The Metropolitan Drinking Fountain 
and Cattle Trough Association

Report and Financial Statements
Year Ended 31 December 2015

Statement of trustees’ responsibilities

The trustees are responsible for preparing the Trustees’ Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England & Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 1993, as amended by the Charities Act 2006, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the Trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the charity’s website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions (only required if the accounts are included on the website)

J Mills

INDEPENDENT EXAMINER’S REPORT TO THE TRUSTEES OF THE METROPOLITAN DRINKING FOUNTAIN AND CATTLE TROUGH ASSOCIATION

I report on the accounts for the year ended 31 December 2015 set out on pages 11 to 17

Respective responsibilities of trustees and examiner

The charity’s trustees are responsible for the preparation of the accounts. The charity’s trustees consider that an audit is not required for this year under section 144 of the Charities Act 2011 (the Charities Act) and that an independent examination is needed.

It is my responsibility to:

- Examine the accounts under section 145 of the Charities Act,
- To follow the procedures laid down in the general Directions given by the Charity Commission (under section 145(5)(b) of the Charities Act), and
- To state whether particular matters have come to my attention.

Basis of the independent examiner’s report

My examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a ‘true and fair’ view and the report is limited to those matters set out in the statement below.

Independent examiner’s statement

In connection with my examination, no matter has come to my attention:

(1) which gives me reasonable cause to believe that in, any material respect, the requirements:
   - to keep accounting records in accordance with section 130 of the Charities Act;
   - to prepare accounts which accord with the accounting records and comply with the accounting requirements of the Charities Act have not been met; or

(2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

John R Fisher

Independent Examiner

The Metropolitan Drinking Fountain 
and Cattle Trough Association

Notes to the Financial Statements 
For the Year Ended 31 December 2015

1. Statement of accounting policies

Accounting convention

The financial statements have been prepared under the historical cost convention as modified by the revaluation of investments at market value, and are in accordance with applicable accounting standards and the Charities Act and the Statement of Recommended Practice, Accounting and Reporting by Charities (revised 2005) (“the 2005 SORP”).

Investments

Investments are stated at market value at the balance sheet date. Unrealised gains/losses reflect the effect of changes in market values of investments.

Investment income

Investment income is accrued to the date of the balance sheet. All investment income is credited to the Statement of Financial Activities.

Website

The costs of the Find a Fountain website is carried at cost and is written off over three years from the year of acquisition. A full year’s depreciation is charged in the year of acquisition.

Donations and interest

Donations and interest are accounted for on a received basis.

Grants

Grants made towards the cost of new structures are charged to the Statement of Financial Activities when approved and recipients are notified.

Governance costs

Governance costs are the costs of governance arrangements which relate to the general running of the charity including both direct and related support costs. Costs are accounted for on a paid basis unless a material creditor is outstanding.

Cash flow statement

The charity has taken advantage of the exemption from preparing a cash flow statement conferred by Financial Reporting Standard No 1.
2. Charitable activities

All grants were made to institutions. During the year the following grants were made:
