Objectives

The objectives of the Association are to promote the provision of drinking water for people and animals in the United Kingdom and overseas, and the preservation of the Association's archive materials, artefacts, drinking fountains, cattle troughs and other installations.

Review of Activities and Future Plans

The Association did not receive any donations in the year (2014:£1,250). Subscription income declined to £275 (2014:£450). The Committee are pleased to see investment income rise by 3.7% to £34,572 (2014:£33,320). Unfortunately the Association investments did not escape the turmoil of the equity markets with its investment declining by £2,157 (2014: £491).

The Association welcomes applications for grants to help fund projects that fall within its objectives. In 2015 the Association's grants totalled £ 29,695(2014: £24,014). A detailed breakdown on all grants made can be found on page 15. In principle the Association allocates about one-third of its net income to overseas projects. For cost effectiveness these donations are channelled through other appropriate charitable associations. Based on the merits of grant applications the Committee makes a monetary award ranging from £50 to £2,000.

Over the years the Association has recognised a need for supplying fountains to schools throughout the United Kingdom. The Association typically gifts a Novus drinking fountain to a school on the condition that the school pays £50 to join the Association.

Find a Fountain

The organisation was founded to make the public aware of the waste of using bottled water when there is a plentiful supply of easily accessed water. The public can log on and look at the map to find their nearest clean water source at www.findafountain.co.uk.

School Fountains

The Committee are pleased to have donated a total of 4 drinking fountains during the year (2014; 15) to schools throughout the United Kingdom.

Future Development of the Association

The Association's aim for the future is to provide drinking water for humans and animals and to preserve its archive materials, drinking fountains, cattle troughs and other installations. No social, environmental or ethical considerations are taken into account by the investment managers used by the Association.

Reserves

It is the policy of the Trustees to maintain reserves in the Association at a level to enable it to be administered efficiently, to meet its short-term expenditure requirements and to have adequate resources to fund its charitable objectives. The level of reserves is subject to periodic review when considering changes to the charity's activities and requirements.

Statement of trustees' responsibilities

The trustees are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England & Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 1993, as amended by the Charities Act 2006, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the Trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the charity's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions (only required if the accounts are included on the website)

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF THE METROPOLITAN DRINKING FOUNTAIN AND CATTLE TROUGH ASSOCIATION

I report on the accounts for the year ended 31 December 2015 set out on pages 11 to 17

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this tear under section 144 of the Charities Act 2011 (the Charities Act) and that an independent examination is needed.

It is my responsibility to:

- Examine the accounts under section 145 of the Charities Act,
- To follow the procedures laid down in the general Directions given by the Charity Commission (under section 145(5)(b) of the Charities Act), and
- To state whether particular matters have come to my attention.

Basis of the independent examiner's report

My examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

- (1) which gives me reasonable cause to believe that in, any material respect, the requirements:
 - to keep accounting records in accordance with section 130 of the Charities Act:
 - to prepare accounts which accord with the accounting records and comply with the accounting requirements of the Charities Act have not been met: or
- (2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.
